

REMARKS

Claims 1-32 are pending in the Application and are now presented for examination.

Claims 1-14, 20-21, 28-32 (Group I) have been elected, with traverse, in response to the March 23, 2009 Restriction Requirement. Although the Restriction Requirement states that Claims 1-14, 28-30 and 32 comprise Group I, Applicants respectfully point out that Claims 20-21 depend directly or indirectly from independent Claim 1 and are directed to the program controller subject matter of Group I. Also, dependent Claim 31 was not mentioned at all in the Restriction Requirement, but indirectly depends from Claim 1. While Claim 31 is a method claim, it nevertheless is directed toward the program controller subject matter of Group I. Accordingly, Applicants believe that Claim 31 is properly part of Group I and Applicants have therefore included this claim within Group I.

Applicants reserve the right to file divisional applications directed toward the unelected claims.

The Examiner is encouraged to telephone the undersigned to discuss any matter that would expedite allowance of the present application.
